

# Killerman's Run

## 2022 ROSÉ

Mr. Killerman lived in a humble tin shed in the hills behind Kilikanoon. He foraged through the valley for his meals, finding wild rabbit and many other gourmet treats. Killerman's Run reflects the rich landscape and being at one with the environment by sourcing and blending wines from right across the Clare Valley into a seamless wine.

### PLACE

The Killerman's Run range of wines are masterfully composed blends selected from across the finest vineyards and sub regions in the Clare Valley.

Our grapes are grown on Ngadjuri country.

### VINTAGE CONDITIONS

TA dry cool autumn in 2021 lead into good winter rains. Above average spring falls gave way to a very cool, dry summer and autumn 2022. These conditions slowed the ripening of the grapes, resulting in full flavours, good natural acidities, and lower Baume's (sugar) than previous vintages. Overall conditions were the best they had been for many years, and a rare vintage where quantity is good, and quality exceptional.

### WINEMAKING

Harvested in the cool of the morning the grapes are placed directly into the press. The juice was allowed to free-drain before being gently pressed. The juice was cold settled for natural clarification. The juice was then fermented at low temperatures to retain freshness and vibrant aromas and bottled soon after.
