

prophecy /'profisi/ - a prediction of what will happen in the future...

This Wine Club Member's Exclusive wine represents exceptional value and continues to be one of Kilikanoon's most popular wines.

PLACE

Selected and crafted from Estate vineyards that are holding the brightest flavours reflective of the cool climate region each season.

Our grapes are grown on Ngadjuri country.

VINTAGE CONDITIONS

A dry, cool autumn in 2021 lead into good winter rains. Above average spring falls gave way to a very cool, dry summer of 2022. These conditions slowed the ripening of the grapes, resulting in full flavours and focused natural acidities. Overall conditions were reminiscent of those seen a decade ago. These factors were ideal for the variety, making it a superb vintage where the quantity and quality were exceptional.

WINEMAKING

Parcels of Shiraz for this exclusive wine were selected from the eastern rows of the famed Mort's Block and our most northern Clare Shiraz vineyard, Mt Surmon. These elevated sites with plantings of Shiraz have alternative aspect, altitude and soil profiles; providing the subtle nuances required to produce a layered wine that is concentrated, yet finely balanced. With fermentation lasting on an average of 14 days, each parcel of grapes were hand plunged before being basket pressed.

TECHNICAL

Alcohol: 14.5%

Acidity: 5.9 g/L

WINEMAKER

Peter Warr

Last Tasted:

26th March 2025

CELLARING

Now until 2032

COLOUR

Dark blood red with
crimson hues

NOSE

Complex savoury, dark berry
aromatics are carried by light
brown spice and sweet oak
notes

PALATE

Intense raspberry and plum flavours fill the palate. These bright fruits are supported by bramble notes, alongside cinnamon and dried petals. The wine is full-bodied with seamlessly integrated tannin that drives the long finish.
