

Killerman's Run

2024 GRENACHE SHIRAZ MATARO

Mr. Killerman lived in a humble tin shed in the hills behind Kilikanoon. He foraged through the valley for his meals, finding wild rabbit and many other gourmet treats. Killerman's Run reflects the rich landscape and being at one with the environment by sourcing and blending wines from right across the Clare Valley into a seamless wine.

PLACE

The Killerman's Run range of wines are blends from across selected sub regions in the Clare Valley.

Our grapes are grown on Ngadjuri country.

VINTAGE CONDITIONS

Welcomed winter rains in 2023 well prepared the vines for a long 2024 season. An early spring warm snap gave way to a cool, dry summer in 2024. These conditions slowed the ripening of the grapes. With the later picking days in the cooler conditions, the grapes were rich in flavours and held their bright natural acidities. These factors were ideal for the variety, creating the perfect setting for a superb vintage.

WINEMAKING

Each individual parcel was vinified separately, and remained so until the final wine was assembled. Maturation in a selection of seasoned French oak hogsheads for twelve months provides a softness and elegance to the silky palate.

COLOUR

Deep red with a vibrant purple rim.

NOSE

Soft ripe red cherry aromas lift from the glass with subtle savoury charcuterie notes.

PALATE

Mimicking the aromatic profile, flavours of dark cherry give way to floral and blueberry notes of the cool climate Grenache. These bright flavours are balanced and held in check by an alluring aromatic spice from the Shiraz. This balance is further refined as the length of the wine is carried seamlessly by a slate like acidity and accentuated powdery tannins of the Mataro.

FOOD PAIRING

This palate filling yet medium bodied wine is ideal with white meats such as spatchcock as well as lighter fresh and seasonal dishes.

CELLARING

Lively in its youth.

GRAPE VARIETY

Grenache (63%),
Shiraz (32%),
Mataro (5%)
